Whetstone Valley Electric Cooperative
Milbank, SD

Job Type

Full-time

About Us

Whetstone Valley Electric Cooperative provides high-quality contracting services, including electrical wiring, HVAC systems, and generator installation and service. We are committed to safety, reliability, and excellent customer service.

Position Summary

Whetstone Valley Electric Cooperative is seeking a skilled and motivated Electrician to perform residential, agricultural, and commercial electrical work. This position involves installation, maintenance, and troubleshooting of electrical systems in a variety of environments.

Qualifications

- Journeyman Electrician license (or higher), **OR** experienced apprentice with the ability to obtain a Journeyman license
 - Experience in residential, farm, and commercial wiring
 - Strong knowledge of National Electrical Code (NEC) standards
 - Valid CDL preferred; must be able to obtain within one year of hire
-

Responsibilities

- Install electrical wiring systems for residential, agricultural, and commercial applications
 - Trench and install underground wiring systems
 - Assist with overhead electrical installations
 - Test, troubleshoot, and repair electrical systems and equipment
 - Work in confined spaces and at heights (ladders/lifts)
 - Perform work outdoors in all weather conditions
-

Skills & Abilities

- Strong commitment to safety practices
 - Self-motivated with solid work ethic
 - Good communication and customer service skills
 - Ability to work independently and as part of a team
-

Additional Requirements

- Willingness to obtain certifications and attend training as needed
 - Ability to work outside normal business hours when required
 - HVAC and generator experience is a plus
-

Pay & Benefits

- Competitive pay (based on experience)
 - Health insurance
 - Retirement benefits
 - Paid training and development opportunities
-

Schedule

- Monday–Friday
 - Overtime and after-hours work as needed
-
